1. School Profile Statement

Sorrento Primary School is the southern-most school on Victoria's Mornington Peninsula, and has served the students of the local area for more than 140 years on several different sites. Its current setting is in attractive grounds near the centre of the historic Sorrento township. Current enrolment is 321.

The majority of the students live in Rye and Blairgowrie, with some students residing in Sorrento and Portsea. A few students live in Rosebud and St. Andrews Beach. The majority of the students are driven to school.

Students are predominantly of English speaking backgrounds, with three Indigenous students. There are currently a similar number of males and females enrolled. One student receives funding through the Disabilities and Impairments Program.

There is a low level of transience, however due to the large number of families involved in the hospitality industry many families take lengthy holidays during the low season – often overseas.

The school Student Family Occupation (SFO) rating is at 0.39. This rating is based on the occupation of the student’s family.

Additional support is provided for students at risk in literacy and numeracy through the Additional Support teacher.

In 2016 thirteen classrooms operate, with composite classrooms used from year 1-6. Composite classes are restricted to two year levels. A teamwork approach to curriculum planning promotes consistency of delivery throughout the entire school.

Teacher retention is high; with 16 ongoing staff and four on contracts; of these sixteen are Classroom Range 2, four are Classroom Range 1 and two are on leave. There is an Assistant Principal.

Art, Music, Science and Physical Education are taken as specialist subject areas. The school has a strong music program including two school choirs, a school band and an instrumental music program. An Options Program runs in Year 5/6 during terms two and three to provide student choice, breadth and depth.

The Cove is the flexible learning centre for students. It includes a library. Students have access to an art, science, literacy support and music room in addition to well-equipped classrooms. Access to digital technologies includes laptops, tablets and desktop computers.
Each classroom has an Interactive Whiteboard. The school has good grounds for sport and recreation as well as a gas heated swimming pool. Parents and community members are always made welcome in the school, with volunteers being a vital aspect of the daily life.

2. Preventative School Culture

Sorrento Primary School emphasises that all members of the school community operate in an environment that is safe and supportive, free from physical, emotional, cyber and social harassment, where individuals are treated with dignity and respect and where diversity is valued. All members of the school community have the right to mutual respect and understanding regardless of their cultural, religious, racial and linguistic backgrounds. We believe that each student can achieve maximum benefit from his or her school experience when a meaningful, supportive relationship is developed between school, home and the student. A consistent approach is fundamental to creating an environment in which students feel secure, this includes zero tolerance of child abuse in all school environments and outside of school hours.

Vision
