Dear Families,

Sorrento Primary School is looking forward to another great year of teaching and learning and would like to advise you of Sorrento Primary School's voluntary financial contributions for 2026.

Schools provide students with free instruction to fulfil the standard Victorian curriculum, and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support allows us to offer classes including Digital Technology, Performing Arts, Visual Art, Outdoor Education and PE taught by specialist teachers in dedicated learning areas. We are also able to offer an Options Program in the senior school where students have the opportunity of participating in sessions such as cooking, languages and various outdoor activities.

Sorrento PS has a strong commitment to student health and wellbeing and offers a variety of programs that are supported by several external health and welfare providers.

Voluntary financial contributions have been integral to upgrading classroom learning spaces.

Your financial support will enable Sorrento PS to continue to offer our students these rich educational experiences and opportunities, strengthening our position as a leading school on the peninsula.

While some local schools list lower contributions, Sorrento's contributions include specialist teaching, a swimming and water safety program and dedicated online subscriptions.

For further information on the Department's Parent Payments Policy please see the one-page overview attached.

Yours sincerely,

Elaine Lesiuk
Principal

Payment methods

Our preferred method of payment is directly through the Compass Portal. This is the only way you will receive an itemised receipt detailing your contributions.

Compass Portal – You will receive a dashboard notification that contributions are available to pay. Click on the notification and it will take you to the Action Centre page. Here you will see the year's contributions. Click on this to see a breakdown of the parent payments for 2026. You also have the option to enter either a 2- or 4-part payment plan on Compass.

Payments by credit card, EFTPOS and cash are available, however, Compass is the school's preferred method of payment.

Refunds

Our school will consider requests for partial or full refunds of payments made by parents on a case by case basis, taking into account the individual circumstances. Generally, we will not be able to refund payments made for items purchased, or where funds have already been transferred to a third party.
